Happy Christmas !

We would like to wish all our friends a very Happy Christmas and thank all who have supported our work during 2018.

With your continuing support we look forward to doing more for those affected by acquired brain injury in 2019 and beyond.

Christmas Party Time

We welcomed over 100 clients and their guests to our annual Christmas Party on Friday 14th December.

We were delighted that Father Christmas, with his Chief Elf Mary, were able to join us this year to dispense Christmas cheer and to join in with the fun and games.

Great entertainment by our very own Headway Survivors Chorus and special guest pianist Simon Trigg.

Quizzes, raffles, craft stall and craft activities were enjoyed along with our own Festive Photo Booth (thank you Adam).

Too many people to thank individually for making the party a success again this year.

But a special thank you to the Royal British Legion Lower Gornal for looking after us so well.

Heads Up Brain Teaser

Our Heads Up Social Group organised a very well supported and closely fought quiz night in November, with team "That'll Do" (pictured) walking away with the top prize. The evening raised £458 to support our work, with this being rounded up to £500 by a mystery benefactor!

Many thanks to Heads Up for such an enjoyable social event.

Thank You !

We are really grateful to the team at **Kuehne and Nagel** at Midpoint Park, Sutton Coldfield who have made a donation to us of £250. We are very pleased to have been nominated to receive this contribution. Thank you to all concerned.

And a huge thank you to **Pat Tucker** who raised £81.92 for us at her local Christmas Fayre. Pat is regular fundraiser for us and we are very grateful for her continuing support.

And our thanks to another long standing supporter, **Janet Sawyer** for making a financial donation and providing as significant number of gifts for our Christmas Party Grand Raffle.

Our Services over Christmas and New Year
